

### Play Space Planning Audit

What is good about your outdoor playspace & should be retained or relocated?	
What exists but needs improving?	
What is needed & currently not provided?	
What is poor & should be removed?	
Where is the active space?	
Where are the quiet spaces?	
Where are the open spaces?	
Is there easy access and exits?	
Is your space inclusive? Can you plan for a range of abilities?	
Where are existing underground services eg? Sewerage, plumbing, easements etc.
